## 2023 Sponsorship Package

You Can Ride 2 (YCR2) is a charitable division of Goodwill Industries of Alberta. We believe every child should have equal opportunity to experience the joy and freedom of riding a bike! Each year, YCR2 makes cycling possible for almost 200 kids living with varying disabilities such as spina bifida, cerebral palsy, and autism.

We make it all happen because of the support of sponsors like you and our caring and compassionate volunteers.

Your sponsorship will support various and unique cycling programs, help maintain a lending library of modified bikes for kids living with a disability, provide bikes in schools, outreach services to other communities, and hold various community engagement events during the cycling season.

Our team at YCR2 is grateful for your commitment helping us to enhance our mission and continue meeting the needs of kids with special needs.
